

All-hazard Preparedness Checklist

Before the Storm

	Listen to local news and National Weather Service for continued storm updates.
	Gather a disaster supply kit or replace/restock items as needed.
	Locate the evacuation routes in your local community if applicable and be sure family
	members know the routes.
	Store important documents (insurance papers, home inventory, etc.) in a waterproof
	container.
	Have cash on hand in small denominations.
	Make sure vehicle gas tanks are full.
	Make sure you have sufficient amounts of prescription medications.
	If you have a generator, test it and make sure you have sufficient fuel.
	Have a portable battery powered radio (with sufficient batteries) or weather radio on hand.
	Secure your home by trimming trees; clearing clogged downspouts/gutters; securing or
	removing items that could become airborne (plants, furniture, grills, etc.).
	Turn off propane tanks.
	Fill bathtubs and large containers with water to use for sanitary reasons.
	Turn freezer and refrigerator to the coldest settings in case the power goes out.
	Charge cell phones, laptops and other portable electronic devices.
	and utility provider to obtain any available resources (i.e. transportation to shelter, priority
	electrical restoration, etc.).
	Make plans for pets in the event you need to evacuate.
During the Storm	
	Listen to the TV or radio for weather information and updates.
	Keep refrigerator and freezer doors closed.
	Avoid using corded phones except for emergencies.
	Stay indoors and away from windows.
After the Storm	
	Continue to tune in to local news and weather for post-storm updates.
	Carefully inspect your home for any exterior damage or safety issues.
	Watch for downed power lines and do not go near them. Do not venture out on reads until you know it is safe to do so
	Do not venture out on roads until you know it is safe to do so. If you had to everyware your home, inspect it when your return and if there are any safety.
	If you had to evacuate your home, inspect it upon your return and if there are any safety issues (flood waters; odor of gas, structural damage, etc.) do not enter.
	DO NOT run generators, grills or other gas operated devices indoors. If there was an extended power outage check frozen and refrigerated food for spoilage. If you
	are in doubt, throw it out.
П	Watch pets carefully to make sure they don't wander in damaged areas
