LAYOUT PLAN

Please sketch a drawing of barn/stable and pasture with dimensions from house, property line, well and any possible wetlands. If you are able to print a property map with Wetland overlays using the GIS mapping program linked on the Assessor's webpage, it would be helpful to draw your sketch on the same and attach it to this application.

MANURE MANAGEMENT

Describe in detail how you plan to manage and dispose of the manure (e.g. location of the manure pile, method of disposal or transport and pest control).
