RE: Harvard Wetlands Rules and Regulations

Request for Waiver

Pursuant to the provisions of § 147-3 of the Regulations for the administration of The Harvard Wetlands Protection Bylaw, I hereby request a waiver from the Commission for compliance with the following section of the regulations:

Setion 147-14C - Plan Requirements: Stormwater Management

The waiver is requested for the following reason(s):

To comply with enhanced management standards or reducing 2- & 10-yr event runoff and volume

on subject site would require removal of impervious surfaces, which is counterproductive to the project requirements

of providing additional handicap parking spaces, or expand existing or provide new stormwater

management facilities which would increase buffer zone disturbance.
