Twin double hung window - notice height

Replace door with a window - match height of twin double hung window

Replace window with existing door

## WINDOW REPLACEMENT

- White pane, two over two
- Material: wood composite
- Height: 45"
- Width: 30"
- Brand: PlyGem 200 Double Hung
- Trim: See below
- **CHANGE OF HEIGHT: New window will match the height of the twin double hung windows on the bump out (see above)**

## 200 DOUBLE HUNG

**PRO SERIES 200 DOUBLE HUNG** wood/composite windows combine historical looks with modern features. They're available in singles, twins, combinations, 30° and 45° angle bays, side lites, fixed and a wide selection of architectural shapes.

## 200 DOUBLE HUNG

### FEATURES

- 1 Low-maintenance cellular PVC exterior casing and brick mould ready to accept acrylic paint
- 2 Cam action sash locks with matching jambliner
- 3 4 <sup>9</sup>/<sub>16</sub>" jams eliminate extensive drywall work
- 4 Both sash tilt in and remove for safe and easy cleaning of exterior glass
- 5 Energy-efficient Warm Edge insulating glass
- 6 Bulb weatherstripping on sash for air-tight performance and smooth operation
- 7 Sash and interior made with select clear wood ready for staining to match any interior décor – also available with primed interior for painting
- 8 Compression balance system for simple tilt-in cleaning of exterior glass

Style comes standard with all of our 200 double hung wood/composite windows. They are equipped with a tilt-in sash system that makes cleaning simple. The low-maintenance cellular PVC exterior components and brick mould resist rot and can easily be painted. A selection of exterior casing options and simulated-divided-lite (SDL) provide a historically accurate look to help enhance the beauty of your home.

**Door trim will match existing front door**

**Window Trim will match existing window trim**
