### DESCRIPTION OF WORK PROPOSED: (You may attach additional pages to describe your proposed work)

If project consists of several different tasks, begin by listing each task, then describe each task in detail including drawings and photos as necessary. You may attach additional pages to describe your proposed work.

We want to install a stand by generator that will be located 5 ft. out from the foundation on the south facing side of our house. The generator is a Generac and is 35" across, 28" tall and 27" front to back. We plan to plant several mature bushes so that it should not be visible from the road..

I have attached the a picture and the drawings of the unit and also pictures taken of the site with a piece of cardboard the approximate size of the unit to give you an idea of the close-up and then one from the street.
