**Elm Commission Meeting**

**20 Oct. 2016 at 7:30 PM**

**Volunteer Gov't Meeting Room (2<sup>nd</sup> floor Town Hall)**

Review Potential Actions for the Common, Little Common, Bromfield parking lot, the library parking lot and the Harris Elementary School.

Potential Actions / Discussion:

1. Remove stumps from trees removed (Common, corner of Pond Rd and 111 and the Harris Elementary School).
2. Any other stumps to remove?
3. Review elm fungicide injection past and present plan (past 3 years and future plan).
4. Review systemic treatments made this past spring (in soil injections for borers and leaf eating pests)
5. Review watering performed by Tom Garfield in 2016
6. Planted trees that are stressed (red maple on 111, Tulip Tree, Elementary School trees and library trees)
7. National Grid matching grant logistics and constraints. Discussion for planting plan proposed in Bromfield parking lot (end of islands and periphery of parking lot—choose two alternate planting plans; preliminary to then take to other stakeholders; School, DPW...)
8. Must prune young trees this winter and lime trees.
9. Schedule meeting later in the fall for memorial tree plantings (leave some locations open) vs other future plantings
10. Other items that arise
