Veterans Memorial Board (example from Charlton, NY)

The Veterans Memorial Board Committee insures that Charlton Veterans are listed on the Veterans Honor Roll Board in Gideon Hawley Park. Any Charlton resident of at least 8 years who served in the Armed Forces and received an honorable discharge is eligible to have their name included. Please contact Charles Latham (cslatham@localnet.com) before May 1 to be listed so we can honor your service.

We owe all of Charlton’s Veterans a debt of gratitude and thanks for their service!

Proposed Statement of Scope, Duties & Responsibilities of the committee

Note: Scope of the committee is to restore, replace, refurbish or create monuments, to honor those citizens of Harvard that served our country from the Spanish-American War to the present. To determine a plan of action and help with private fund raising.
