1. Call to order
2. Read vision statement
3. Listen to student feedback on the following topics:
 - a. **New Leadership:** What are students' first impressions of the new principals? What are they hoping the new principals will bring to the year ahead? Have there been any changes implemented thus far? How are the new changes working for students?
 - b. **Vision statement and sense of belonging:** HPS recently adopted a new vision statement. What are students' thoughts on the new vision statement?
 - c. One of the key aspects of the vision statement is creating a community where everyone can find belonging. Do students feel that they belong at Bromfield? If so, when or where do they feel a sense of belonging? If not, why not? What might increase students' feeling of belonging at Bromfield?
 - d. **Clubs and Extracurriculars:** Do students feel that the offerings for extracurricular clubs and sports are broad enough for everyone to find something they are interested in? What should there be more of? Less of?
 - e. **Update:** Could the Seniors please provide us with a brief update on the progress on the new Senior space?
