1. Have you seen/noticed any changes due to the focus on anti-racism in the school and if so, what? If not, what suggestions do you have for things that could be done this year?
2. Do you have any feedback on the COVID testing – has the process improved since the first round? What could we be doing better? Overall, what's working/not working about the hybrid model at this point?
3. How do students feel about the change in the afternoon schedule for TBS students to remote synchronous rooms for all.
