**Resources:** We appreciate that the Harvard community provides the necessary resources to best serve students, and we hold ourselves responsible for the appropriate use of these resources.

**Vision Statement:** The Harvard Public Schools Community, dedicated to educational excellence guides all students to realize their highest potential by balancing academic achievement with personal well-being in the pursuit of individual dreams. The students engage in learning how to access and apply knowledge, think critically and creatively, and communicate effectively. They develop the confidence and ability to understand diverse perspectives, collaborate, and contribute to their local, national, and global communities.

The above agenda is the listing of matters that are those reasonably anticipated by the Chair which may be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.
