Our goal is to develop an understanding with you on how we are going to proceed. This is our proposal.

The School Building Committee requests the agreement from the Historical Commission to proceed with further development of the following areas of design with updates submitted every two weeks through the liaison and the Chair of the Commission.

1. Colors and materials and their locations on the façade
2. Detailing of porches and bays
3. Detailing of windows and wall surfaces
4. Detailing of metal trim pieces
5. Color of the metal roof

In order to proceed during this period when you are unable to meet and at the same time we are required to produce for MSBA submission the design development documents, we ask for your agreement on the following items;

1. Current site plan (location of building and paved surfaces)
2. Basic building massing (2 story, L shape, approx. 84,000 sq. ft.)
3. Basic exterior materials (brick, stone(s), metal roof)
4. Roof and façade shapes
5. Basic window sizes and locations
6. Porches and bays
