QUESTION #1 - Department of Public Works Building Project

Shall the Town of Harvard be allowed to exempt from the provisions of Proposition Two and One-half, so-called, the amounts required to pay for the bond issued in order to fund the costs of the design, construction, and renovation of the DPW facility, and for the payment of all other costs incidental and related thereto?

Summary of ballot question: The Town previously appropriated funds for an analysis of the DPW facility. The subsequent phase further defined the components requiring code-compliant renovations, repairs, and improvements. Passage of this ballot question will allow the Town to borrow the funds (\$9,894,200, not including interest) appropriated at the April 6, 2024 Annual Town Meeting (Article 14) for the design, construction, project management and other incidental and related costs outside of the financial constraints of Proposition Two and One-half.

QUESTION #2 - General Override - 2 Tiers

(Questions 2A and 2B are separate questions. You may vote for or against each question independently. Each question requires a majority of those voting on that question to pass. If more than one question passes, the question with the highest dollar amount will prevail.)

2A. Shall the Town of Harvard be allowed to assess an additional \$423,902 in real estate and personal property taxes for the purpose of funding the operating budgets of both Municipal Departments (\$83,830) and Public Schools (\$340,072) for the fiscal year beginning July 1, 2024?

YES

NO

Summary of ballot question: Questions 2A and 2B are separate questions. You may vote for or against each question independently.
