Notice of Correction - Ballot Misprint: Annual Town Election of April 9th, 2024

&

Notice Regarding Ballot Instructions for Vote-By-Mail Ballots

The Town Clerk's Office hereby issues a public notice regarding a misprint on the ballot for the Annual Town Election scheduled for April 9th, 2024. It has come to our attention that the term for the office of Town Moderator was incorrectly listed on the ballot for this election as being for one year, when it should have been for three years. Individuals that requested and were sent vote-by-mail ballots, or those that voted absentee prior to the date of this notice, received ballots containing this misprint. These affected ballots are still valid, however, corrected versions of the ballot will be re-printed and in-use on election day. We sincerely apologize for this error and any confusion that it may have caused.

Furthermore, the first phase of vote-by-mail ballots for the April 9th, 2024 Annual Town Election that were mailed out contained ballot instructions with an erroneous deadline to turn in the ballot of March 5th, 2024, at 8:00pm. This final date to return the ballot was from the Presidential Primary Election. We would like to clarify that all vote-by-mail ballots must be returned to the Clerk's office by April 9th, 2024, at 8:00 pm. We again apologize for any inconvenience that this error may have caused and thank you for your patience and understanding.
