

Town Of Harvard
DEER MANAGEMENT PROGRAM
PARCEL MAPS
2023 Season

This document contains parcel numbers for each area included in the Harvard Deer Management Program

These can be used to search the AxisGIS map at <https://www.axisgis.com/HarvardMA/>)

Approximate 500' dwelling setbacks are indicated in red

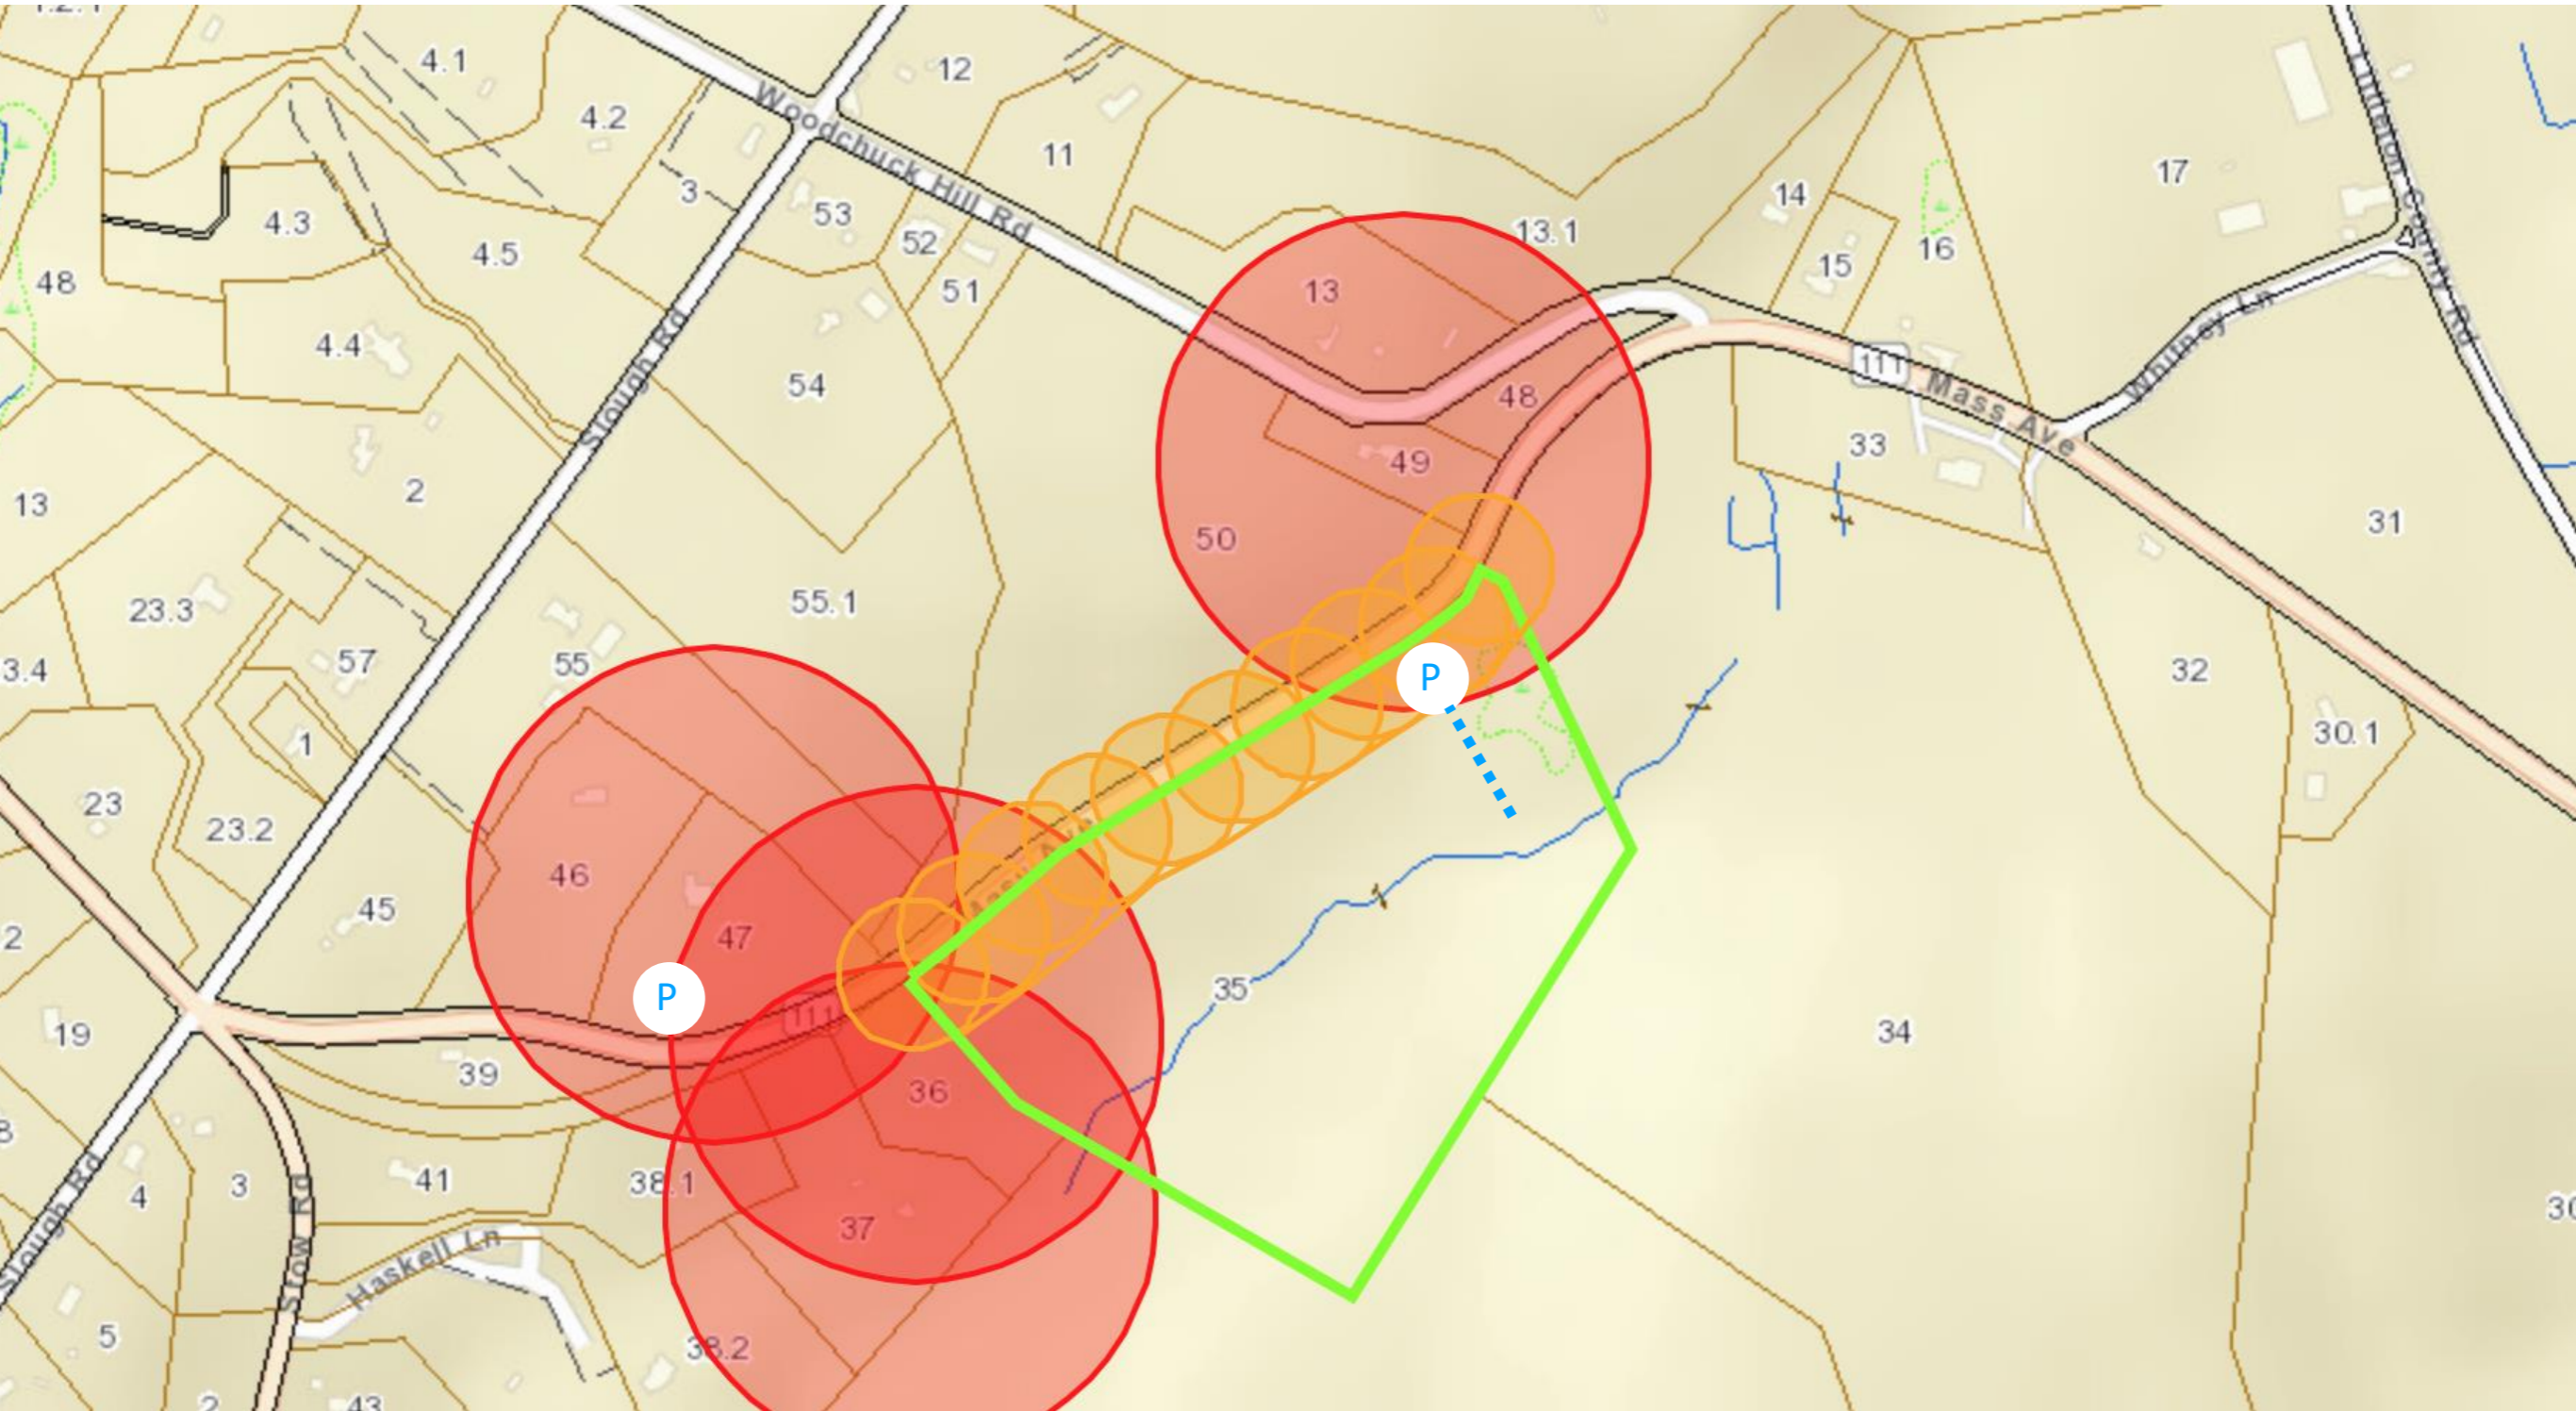

Approximate 150' road setbacks are indicated in orange

Hunters are required to use GPS or cellular-based tools to verify position and maintain state-required distance from dwellings and roads

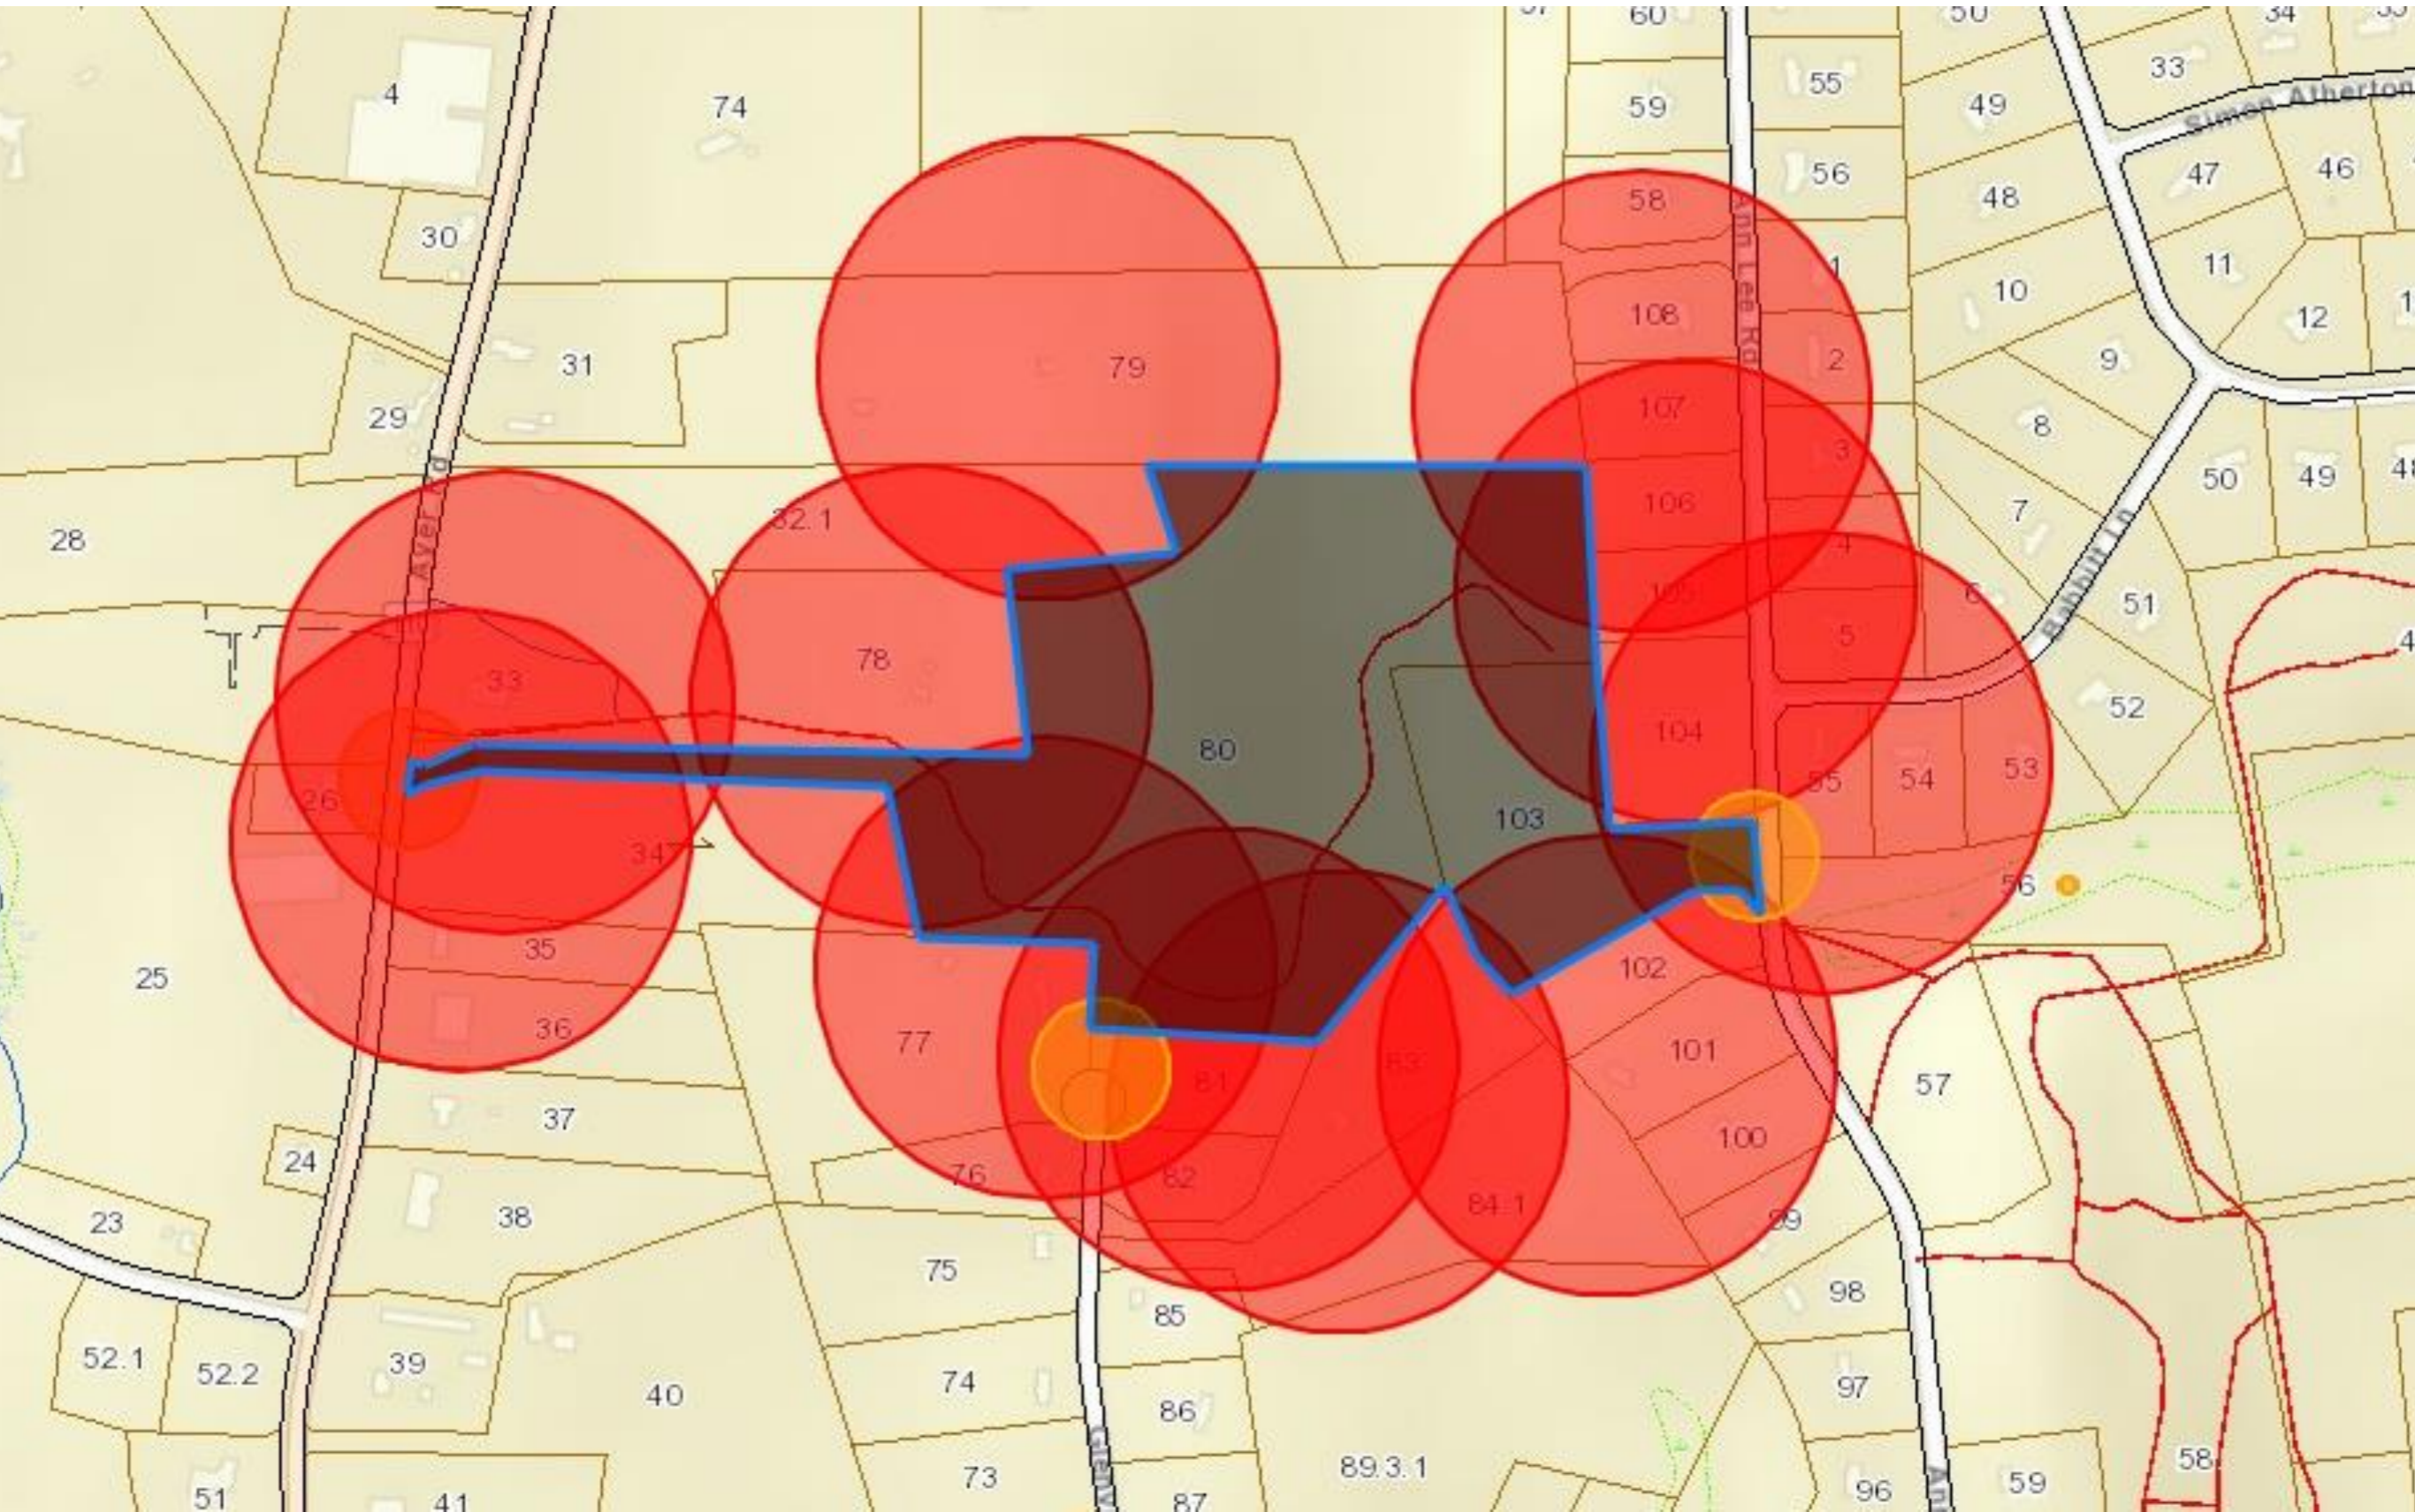

Please keep these maps on your phone or printed and on your person when in the field, in order to verify position, stay on designated parcels and maintain setback distances

All State of Massachusetts hunting regulations must be followed
