The intent is to accommodate a municipal facilities

U.S.C. section 3601, et al, as amended, (the “Fair Housing Act”) and other applicable federal and state housing laws.”

“o. Senior Residential. Senior Residential refers to age-restricted residential facilities to be occupied solely by individuals 62 years of age or older and that comply with the Fair Housing Act and other applicable federal and state housing laws. Such facilities may provide services such as meals, transportation, housekeeping, personal care, specialized care for dementia, and/or health care, in a residential setting. Such facilities may also provide no or limited services. No less than twenty-five (25) percent of any Senior Residential units within the Village Growth I Zoning District must be deed-restricted so that they are affordable to households earning no more than eighty (80) percent of the area median income as defined by the U. S. Department of Housing and Urban Development as set forth in 974 CMR Section 5.02 2 (l) of the Devens Enterprise Commission’s Rules and Regulations. The purpose is to provide business and residential expansion opportunities for Shirley Village while at the same time offering a substantial retail opportunity for the Devens Enterprise Zone and the region at large. The 282-unit maximum shall not apply to age-restricted senior residential housing within the Village Growth I zoning district, which shall not exceed 120 units of housing. It is recognized that the success of the residential reuse is dependent on a balance between market rate and the affordable/special needs populations.”
