

Dump Dollars

Dump dollars offer an easy convenient way for residents to purchase additional monies for use at the Transfer Station anytime anywhere!

You simply register with MyRec using the link below:

<https://harvardma.myrec.com/info/products/default.aspx?CategoryID=97>

Dump dollars are available in traditional monetary denominations \$1, \$5, \$10 and \$20.

Upon purchase you will receive an email with your receipt and Dump Dollar ticket.

Your Dump Dollar ticket includes the amount and ticket number.

Transfer Station attendants will scan your ticket at the Booth. You can print the ticket or simply use your phone. Once your ticket is scanned it will no longer be active.

No more issues of showing up at the Transfer Station and not being able to dispose of your items because you do not have enough punch cards and no need to go to Town Hall either! Dump Dollars can be purchased on your phone right at the Transfer Station.

Dump Dollars do not take the place of punch cards but offer another more convenient and easily accessible option for residents to purchase what they need anytime anywhere!

For audit reasons, dump dollars and punch cards are only good in the fiscal year they are purchased
